

Dear **Prospective Doctor**,

Special Greetings from “**Admission Advisor**”

Our vision is simple to state: "**Education is the manifestation of perfection already in man**" - thus speak the **Great Swami Vivekananda**. A society in which every member is perfect is a perfect society. If only the whole world consisted of one society, one such perfect society ..., which is our vision. We see no reason why it shouldn't come true and hence our efforts. We are sure we will be successful in our endeavour.

Our Mission : - For those looking for hassle free process of getting foreign education, “Admission Advisor” could be the directing force in providing full counseling support to the best of your satisfaction to help you reach the new height in your career through superior education.

Our Philosophy: - To create an educational but communicative environment so that you always find exactly what you are looking for. “Admission Advisor” aspires to be a caring organization to all its constituents with a personal touch.

We have always believed that education is the key to building a tranquil earth and advocated that students of our country must carry out at least a part of their education on foreign soil in as much as it would impart to them a sense of universal belonging. Thus, global education will eventually usher in, besides concomitant benefits, the much sought-after global peace, which is what we are after.

We find immense satisfaction in devoting all our time to helping students with proper guidance and information. We believe it is an outstanding opportunity for the thousands of students aspiring to join medical institutions across the globe. To help the budding youth secure their seats, we are running an educational consultancy.

The off and on deception by various fake agencies rendered thousands of students baffled and bewildered and in this situation our services have lit a beacon of hope for them to study Abroad.

As a result of many years of experience in this field, we have made affiliations with different educational and professional institutions Abroad and to keep pace with new technologies and new opportunities we constantly strive to develop a close rapport with more institutes so that our students may have wider range of institutes to choose from to succeed in achieving their cherished dreams in a best possible and easy way.

We welcome you with open heart to come for a face to face interaction with us at our Delhi office to solve any impending query you may have. You can also visit our website www.admissionadvisor.org for more details or call for appointment 09999155591, 09999155501 (We will be happy to answer your questions for your best) or email your query to: contact@admissionadvisor.org or koulrave@gmail.com

Please note that your decision taken today can never ever have a replay!!! **We assure you that the security of your degree & its genuineness will be fully met with and keeping alive your trust on us will be our first priority.** You can count on our reputation and utilize it along with our experience in the field for best results.

- Study especially in Philippines & Ukraine is the gateway for developed countries like USA, UK, Canada etc.
- Classes start for first year students in August / September / October or as may be intimated to us by the institution.

Study MBBS (Medicine) abroad - is undoubtedly a good choice for those who want to become good doctors. There is no a capitation fee or donations to be paid to the universities abroad. The cost of higher education in these countries is highly regulated and subsidized by the Ministry of Education (MOE). They are very reasonable in contrast to universities in our country.

"Studying MBBS Abroad is not only less expensive than India, but colleges there also provide better facilities and teaching atmosphere. MBBS in Philippines, Ukraine, China, Kyrgyzstan and Russia can be a good stepping stone for people who want to become doctors, but do not have the means to do it in India.

However, to be eligible to practice in India, doctors graduating from these universities have to clear a screening examination conducted by the National Board of Examinations under the directive of Medical Council of India.
